**To whom it may concern**

Herewith we confirm that we have been co-operating with „Fast” Spółka z o.o. since beginning of 1998.

Based on our inspection reports and also our own observations, „Fast” Spółka z o.o. applies with high quality several of the most sophisticated coating systems of our companies (Sigma/Amercoat) such as:

- zinc silicates,
- high build and/or solvent free epoxy coatings,
- coatings for drinking water tanks and for tanks to carry chemical cargoes,
- composite coatings like glassflake reinforced for steel constructions working under extreme difficult conditions.

We are fully convinced that „Fast” Spółka z o.o. is able and prepared to adopt their technical possibilities in order to meet international standards. Therefore, „Fast” Spółka z o.o. can be seen as a trustful partner and may be invited to participate in a demanding paint job where the latest knowledge and techniques are required.

With kind regards

Jerzy Nelke  
Technical Manager
