

CERTIFICATE

We hereby certify that employees of

Fast S.A.
ul. Czechosłowacka 3
81-963 Gdynia

have been trained in the use of marine flooring,
bonding and sealing in accordance with Sika®
Technology.

Annex, which is an integral part of the certificate contains the list of
people trained.

The certificate does not relieve the Fast S.A. company from consultation
with Sika company concerning used technical solutions.

The training was held at the headquarters of the FAST S.A. company
on 2014/12/19.
