TO WHOM IT MAY CONCERN

We hereby confirm that company FAST SA has been contracted by us as a contractor for turnkey outfitting of living quarters modules together with technical rooms of ZOURITE Heavy Lift Jack Up Barge, which has been built by CRIST SA for NRL Viaduc France.

We can highly recommend the good cooperation with FAST SA, since all contracted works have been organized and carried out to full satisfaction of CRIST SA, Owner's Representatives as well under Bureau Veritas supervision. All works have been executed according to the agreed schedule of this project.

Project Management from company FAST SA performing during this project has been professional and highly skilled within their range of activity, what have been many times proved by the necessity of making quick, however always reasonable and efficient decisions.

Entire FAST production team, including the mid supervision level, also represents professional knowledge and experience.

This project has been executed by FAST SA as Purchasing-Construction project and has been consisted of:

- Support of Shipyard on every stage of the projects (including settling design and technical features of used equipment and materials with Owner's Representatives)
- Accommodation systems, piping, electrical and HVAC (including engineering)
- Complex insulation
- Complex accommodation equipment (flooring, walls, ceilings, furniture, decoration, galley/catering and workshops equipment)
- Commissioning to QM of CRIST SA, Owner and Class

We are fully convinced that company FAST SA is able and well-prepared to adopt their technical possibilities in order to meet the demanding international standards of the industry. Therefore FAST SA can be taken into account as professional partner and may be invited to participate in the technically demanded offshore projects, where the latest knowledge and technical solutions are required. We can confirm that FAST SA could be engaged as the reliable partner in complex, multidisciplinary projects.

Yours faithfully

Project Manager
