To Whom It May Concern,

hereby we confirm that FAST, established in Gdynia, Czechosłowacka 3 str., was contracted for Vision Express retail stores furnishing project. The scope of work included documentation, manufacturing, complex delivery and assembling of furniture and display casings in showrooms located country-wide.

We can highly recommend the good cooperation with FAST, since all contracted works have been organized and carried out with personal commitment and with common responsibility for the results. We would also point out strong focus on individual Client's needs and requirements and high cooperation standards, as well as work quality performed. FAST complies with all technical standards, has efficient logistics and project management system, therefore the company consistently follows determined timeframes. FAST strength is also flexibility, as well as identifying and focusing the most effective solutions possible.

Common business experiences enable us to recommend FAST as a trustful and reliable partner, which may be invited to participate in the most demanding projects where up-to-date knowhow and most effective techniques are required.

Sincerely,

VISION EXPRESS SP Sp. z o.o.
