

Sheraton Warsaw

HOTEL & TOWERS

To Whom It May Concern,

Hereby we confirm that Fast SA, established in Gdynia, Czechosłowacka 3 str., was contracted for Sheraton Hotel renovation project. The scope of work included furnishing of 315 rooms, 30 apartments and Club Lounge.

We can highly recommend the good cooperation with Fast SA, since all contracted works have been organized and carried out with personal commitment and with common responsibility for the results. We would also point out strong focus on individual Clients needs and requirements and high cooperation standards, as well as work quality performed to our full satisfaction. We wish to acknowledge high standard of performance and professionalism presented by FAST on the Sheraton Hotel renovation project.

Project Management performed by FAST during those projects has been fully professional within their range of activity, what has been many times proved by the necessity of making quick, however always reasonable and accurate decisions.

Scope of work included in the contracts with FAST:

- manufacturing top class hotel furniture using premium materials (natural wood, antic mirrors, brass elements, upholstered modules);
- staged interiors outfitting project implementation in fully functioning hotel in accordance with detailed schedule and respecting hotel guests comfort;
- skillful cooperation with project team and hotel staff in order to eliminate disadvantages entailed by conducted works (furniture delivery logistics, nightly transports and unloadings, respecting noisy works timeframes).

All activities listed above, FAST SA performed with supreme quality and in accordance to all binding highest technical standards. Therefore we can recommend FAST SA as a trustful and reliable partner, who may be invited to participate in the most demanding projects where up-to-date knowhow and most effective techniques are required.

Sincerely,
