TO WHOM IT MAY CONCERN

We hereby confirm that company FAST SA has been contracted by us as a general contractor for complex turnkey outfitting of new living quarter module together with technical rooms of FPF-1 rig, belongs to Petrofac, which has been converted by Remontowa S.A..

We can highly recommend the good cooperation with FAST SA, since all contracted works have been organized and carried out to full satisfaction of Yard; Owner's Representative as well under Lloyd Register supervision. All works have been executed according to the schedule of this project and within agreed budget.

Project Management from company FAST SA performing during this project has been fully professional and highly skilled within their range of activity, what have been many times proved by the necessity of making quick, however always reasonable and efficient decisions.

Entire FAST production team, including the mid supervision level, also represents wide professional knowledge and experience.

This project has been executed by FAST SA as Purchasing-Construction project, and has been consisted of:

- Project management service carried out by dedicated and professionally trained Project Manager
- Support of Shipyard on every stage of the project (including settling colors and technical features of used equipment and materials with Owner's Representative)
- Steel outfitting
- Accommodation systems, piping, electrical, HVAC
- Complex insulation and partial range of passive fire protection applications aprox. 2500 sqm
- Complex accommodation equipment (flooring, walls, ceilings, furniture and decoration)
- Commissioning to QM of Shipyard, Owner and Class

We are fully convinced that Company FAST SA is able and well-prepared to adopt their technical possibilities in order to meet the most demanding international standards of the industry. Therefore FAST SA can be taken into account as a professional partner and may be invited to participate in the most sophisticated offshore projects, where the latest knowledge and technical solutions are required. We can confirm once again with pleasure that FAST SA could be engaged as the reliable partner in complex, multidiscipline projects.

Yours faithfully,

Krzysztof Mądrala
