

## To whom it may concern.

We hereby confirm that FAST SA was contracted by CS Accommodation A/S to outfitting of a new accommodation module for Maersk Guardian.

We can highly recommend the good cooperation with FAST SA, all works have been organized and carried out to our full satisfaction. We wish to acknowledge the high standard of performance and professionalism presented by FAST on the Maersk Guardian project.

Project Management performed by FAST has been professional within their range of activity, and was demonstrated many times by the necessity of making quick, however always reasonable and accurate decisions.

The scope was on a very tight and even delay schedule from the start, but due to FAST professionalism and flexibility they manage to deliver the project 2 days before schedule

The scope of work: Installation of:

- About 3100 m2 of accommodation
- 147 cabins / wet units, rec, - office, and changing rooms etc.
- Insulation of bulkheads A60 and H120

All the activities FAST SA performed with extremely good quality, and in accordance with high technical standards.

FAST SA is a company that CS Accommodation highly recommended.

Yours Sincerely  
Carsten Simonsen
