

TO WHOM IT MAY CONCERN

Gdansk, 1st of March 2013

We hereby confirm that company **FAST S.A.** was contracted by us for **turnkey outfitting of new accommodation deckhouse of m/t "SIRI KNUTSEN", which has been converted by REMONTOWA S.A. in year 2013.**

We can highly recommend the good cooperation with FAST S.A., since all contracted works have been organized and carried out to full satisfaction of Yard; Owner's Representative as well under DNV supervision. Works has been executed according to schedule of this project and within budget.

Project Management from company FAST S.A. performed during this project has been fully professional and high skilled within their range of activity, what have been many times proved by the necessity of making quick, however always reasonable and accurate decisions.

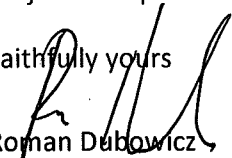

Entire FAST production staff, including the mid supervision level, also represents wide professional knowledge and experience.

This project has been executed by Fast S.A. as EPC (Engineering-Purchasing-Construction) project, and was consisted of:

- project management service carried out by dedicated and professionally trained Project Manager,
- support of Shipyard on every stage of the project (detailed design preparation, settling colors and technical features of used equipment and materials with Owner's Representative ; technical advice for selection in order to meet applicable requirements),
- steel outfitting: ventilation ducts; cable trays etc
- preservation and painting;
- accommodation systems: electrical, communication, FF, HVAC and FW,
- complex insulation,
- complex accommodation equipment (flooring, walls & ceiling, furniture, decoration etc) including production progress monitoring and quality control on its plant,
- commissioning to QM of Shipyard; Owner and Class.

We are fully convinced that Company FAST S.A. is able and prepared to adopt their technical possibilities in order to meet international standards. Therefore Company FAST S.A. can be taken into account as a professional partner and may be invited to participate in the most demanding projects where the latest knowledge and techniques are required. We have noted with pleasure that FAST S.A. could be engaged as the reliable Partner in complex, multidiscipline projects like performed for us on this conversion.

Faithfully yours
