To whom it may concern

Hereby we confirm that company FAST, is contracted **for complete preservation, painting and interior outfitting of Jack-Up barge "THOR" for HOCHTIEF Solutions AG, built in CRIST S.A. Shipyard in Gdynia.**

We have met FAST during execution of contract for preservation, painting and outfitting installations of **"THOR"**. We can highly recommended the good cooperation with FAST, since all contracted works was organized and carried out to full satisfaction of Owner's supervision

The Company FAST management is professionally skilled within their range of activity, which had been many times proved by taking quick however always reasonable and accurate decisions so we noted with pleasure that FAST could be engaged also as the sole partner regarding projects being within their range of activity

Entire FAST production staff including the mid supervision level are also representing wide professional knowledge and experience. The moral-ethic side of FAST proceedings we noted without reservations.

The turn-key project carried out by FAST included:

- management service made by dedicated Project Manager
- support of Shipyard on every stage of project (preparing detailed design, settling colors and materials with Owner's approval, technical support in installation),
- preservation and painting,

- production and delivery of furniture,
- purchase and delivery of insulation & accommodation elements incl. monitoring of their progress and quality on production plant,
- Installation of complex accommodation in cabins, toilets, technical and public rooms and corridors, cold stores.
- commissioning to QM of Shipyard and Owner
