**To Whom It May Concern,**

We hereby confirm that FAST SA was contracted by Flensburger Schiffbau-Gesellschaft mbH & Co KG on the NB 764 Loch Seaforth project.

We can highly recommend the good cooperation with FAST SA; all works have been organized and carried out to our full satisfaction. We wish to acknowledge the high standard of performance and professionalism presented by FAST on the Loch Seaforth project.

Project Management performed by FAST has been professional within their range of activity, and was demonstrated many times by the necessity of making quick, however always reasonable and accurate decisions.

Vessel was designed as Ro-Pax ferry for operation in the West Coast of Scotland.

Scope of work included in the contracts with FAST:

- Project management services carried out by dedicated and professionally trained Project Manager,
- Support at production stage of the project (detailed design analyze, technical support and advice in order to meet applicable requirements),
- Insulation,
- Production progress monitoring and quality control on site of outfitting equipment,
- Installation of floors (floating floors, raised floors), walls and ceilings, ceramic tiles,
- Installation of furniture

All activities listed above, FAST SA performed with extremely good quality and in accordance with high technical standards. FAST SA showed its ability to collaborate as a team player and was always flexible when required. FAST SA provided exceptional staff, highly involved and accessible throughout the project.

FAST SA is a company that CMAL highly recommends based on experience from the Loch Seaforth project. FAST SA is capable and prepared to withstand all technical demands in order to meet the most sophisticated requirements of international maritime standards. FAST SA is a trustful and reliable supplier.

**Yours Sincerely,**
