

Gdańsk, 10.04.2017 r.

To Whom It May Concern,

We hereby confirm that FAST SA was contracted by Remontowa Shipbuilding SA on the Toll and Piret projects, built for Estonian Owner TS Laevad OÜ, subsidiary Company of Port of Tallinn.

Vessels are designed as ro-pax ferries to service on the Virtsu-Kuivastu line connecting Estonian mainland to Saaremaa, the country's largest island.

We can highly recommend the good cooperation with FAST SA, all contracted works have been organized and carried out to our full satisfaction. We wish to acknowledge high standard of performance and professionalism presented by FAST on both projects.

Project Management performed by FAST has been professional within their range of activity and was demonstrated many times by the necessity of making quick, however always reasonable and accurate decisions.

Scope of work included in the contracts with FAST:

- Complex Project Management carried out by dedicated and professionally trained Project Manager,
- Support at every production stage of the project (detailed design analyze, technical support and advice in order to meet all applicable requirements, monitoring of production progress, tracking),
- Complex surface protection works (cleaning and painting) of hull and superstructure (Piret project only)
- Complex insulation and floors,
- Installation of walls and ceilings,
- Complex furniture production and installation,
- Commissioning to QC of Remontowa Shipbuilding, Class and Owner
- Quality control on site

All activities listed above, FAST SA performed with extremely good quality and in accordance to high technical standards. FAST SA showed its ability to collaborate as a team player and was always flexible when required. FAST SA provided exceptional staff that had stayed involved and accessible throughout the project.

FAST SA is a company that Remontowa Shipbuilding S.A. highly recommends based on experience from the Toll and Piret projects. FAST SA is well-prepared to adopt their technical skills, knowledge and resources in order to meet all international standards of maritime industry. Therefore FAST SA is a trustful and reliable partner, and may be invited to participate in the most demanding projects where up-to-date knowhow and most effective techniques are required.

Sincerely,

Tomasz Sulkowski

Project Manager
